The English staff of the schools has recently been increased and it is hoped that the educational results of the next scholastic year will equal or surpass those of the last, when three of the pupils obtained secondary certificates.

A New Award:— The jury of Liege, confirming the decision of the St. Louis committee, has placed the Berlitz School hors concours for the remarkable books for tacking languages published by Mr. Berlitz. This high distinction sets the collectrated method on a level with the most remarkable inventions of the human mind. The brilliant results obtained in teaching languages by means of the system as much in Egypt as in Barope is moreover an evident proof of this.

Benenic Placet.—Only one fresh case of plague occurred in Egypt throughout last wiek, namely at Alexacdria, and all other pursues releated free. Three European Covered during this period and there were brod deathy and one fresh case, an Italian green of the Membile district, was notified yesterday. There are now only two cases under treatment. The total number of cases from January 1 to date amounts to 298, as compared with 904 during the corresponding period last year. In consequence of the notification of a frash case at Alexandria, the quarantism mesures against departures from this port have been re-ostablished.
